## APWU Local Presidents

The 2000-2003 APWU/USPS National Agreement (Pages 289-295), references MOUs on the implementation and establishment of a Modified Work Week Program for APWU bargaining unit employees and Modified Work Week (10/4) Guidelines.

Consistent with the MOUs, the parties agreed in the 2006 APWU/USPS Contract Extension to commence a minimum of 18 modified work week pilot sites during the term of the extension.

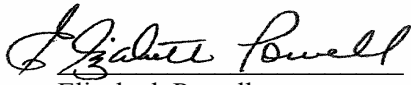

In an effort to provide a list to the USPS of pilot sites to be considered, we are asking that you complete the attached form and return it to your respective Regional Coordinator as soon as possible, but no later than Friday, September 30, 2005. Please be sure to identify the facility/installation you wish to have considered.

The attached form is also available at [www.apwu.org](http://www.apwu.org).

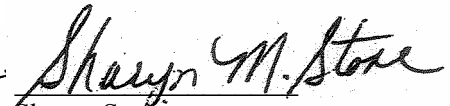

You will receive the appropriate notification if the site you submitted for consideration is one of the pilot sites selected.

If there are any questions or you need more information, please contact your respective Regional Coordinator. Thanking you in advance for your cooperation and assistance, we remain,

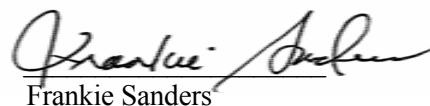

In Union Solidarity,
