RE: Helena, MT Area Mail Processing (AMP)

Dear Bill:

This letter is an informational notice of the termination of the U.S. Postal Service's Area Mail Processing (AMP) study of the consolidation of mail originating at the Helena, MT Main Post Office into the Great Falls Mail Processing Annex.

After preliminary review, it has been determined that there are currently no significant opportunities to improve efficiency or service through consolidation of mail processing operations at the Helena, MT Main Post Office. Therefore, no changes will be made at this time.

If you have any questions concerning this AMP, please contact Mary Hércules at (202) 268-4356.

Sincerely,

A handwritten signature in black ink that reads "John W. Dockins".
