RE: Yakima, WA Area Mail Processing (AMP)

Dear Bill:

This letter is an informational notice of the status of the U.S. Postal Service's Area Mail Processing (AMP) study of the transfer of mail processing operations from the Yakima, WA Main Post Office (MPO) to the Pasco, WA Processing & Distribution Facility (P&DF).

After preliminary review, it has been determined that there are currently no significant opportunities to improve efficiency or service through consolidation of mail processing operations at the Yakima, WA MPO. Therefore, no changes will be made at this time.

If you have any questions concerning this AMP, please contact Mary Hércules at (202) 268-4356.

Sincerely,

John W. Dockins
Manager
Contract Administration (APWU)
