Dear Bill:

This letter is an informational notice of the status of the U.S. Postal Service's Area Mail Processing (AMP) study of the transfer of originating First Class mail volumes from the Binghamton, NY Processing and Distribution Facility (P&DF) to the Syracuse, NY Processing & Distribution Center (P&DC).

After preliminary review, it has been determined that there are currently no significant opportunities to improve efficiency or service through consolidation of mail processing operations at the Binghamton, NY P&DF. Therefore, no changes will be made at this time.

If you have any questions concerning this AMP, please contact Mary Hércules at (202)268-4356.

Sincerely,

John W. Dookins
Manager
Contract Administration (APWU)
