Dear Bill:

This letter is an informational notice of the status of the U.S. Postal Service's Area Mail Processing (AMP) study of the transfer of originating First Class mail volumes from the Cape Cod, MA Processing and Distribution Facility (P&DF) to the Brockton, MA Processing & Distribution Center (P&DC).

After preliminary review, it has been determined not to pursue the consolidation of cancellation operations at the Cape Cod, MA P&DF.

If you have any questions concerning this AMP, please contact Mary Hércules at (202) 268-4356.

Sincerely,

A handwritten signature in cursive script, appearing to read "John W. Dookins".
