## Thank You for Supporting the TURN AROUND AMERICA FUND

We need your help to get out the truth about the Employee Free Choice Act through the Turn Around America Fund. As leaders of today's labor movement, our role in turning around America's economy is absolutely critical—because we know that whatever else is done to fix our economy, we will not achieve balance and broadly shared prosperity unless we restore workers' freedom to form unions and bargain for better benefits, wages and working conditions.

**Please make checks out to:** AFL-CIO Secretary-Treasurer. In the memo line of your check, note the Turn Around America Fund.

**Please mail checks and this completed form in an envelope to:**  
Office of the Executive Vice President, 815 16th St., N.W., Washington, DC 20006.
