Anna Smith, Organization Director Office Phone: (202) 842-4227 John Marcotte, Health Plan Director Office Phone: (410) 424-1583

Congratulations!

You may now be eligible for health insurance in the Federal Employees Health Benefit Program (FEHB).

Upon your eligibility you will have various options available to you. However, most of you will find that the APWU Health Insurance Plan is the best choice! The APWU Consumer Driven Health Plan offers PSEs important health care benefits.

In an effort to make the health insurance affordable through negotiations the APWU was able to persuade the USPS to pay 75% of the total premium when you select the Consumer Driven Plan. For all other FEHB plans, the PSEs will have to pay 100% of the premium.

- Complete one full year (365 calendar days) of continuous employment with no breaks in service of more than 5 days.
- Maintain sufficient earnings each pay period to cover the cost of premiums after all of mandatory deductions.

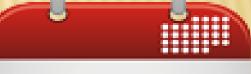

### **ELIGIBILITY NOTIFICATION**

- After an initial appointment of a 360 day term and upon reappointment any eligible PSE may participate in the FEHB.
- When you are eligible to enroll in the FEHB, you will be sent a letter from the Postal Service containing important enrollment information.

#### ENROLLING

- You MUST sign up within 60 days from when you first become eligible at the conclusion of your first appointment. Failure to do so will result in your only being apply during Open Season or with a Qualifying-Life Event (QLE).

### **ONCE ENROLLED**

- Once enrolled you may only use PostalEase to make changes.
- You can only make changes during open season or for a QLE. (QLE may be a change in family or employment status, or when you or a family member lose FEHB or other coverage.)
- You cannot dual enroll, federal law prohibits two family members from having different (self and family) FEHB insurances.

### WHEN DOES COVERAGE BEGIN?

- Coverage is effective on the first day of the pay period that begins after Shared Services (HRSSC) receives and processes your completed forms for enrollment and follows a pay period in which you are in a pay status.
- Insurance cards will be sent once your enrollment is processed.

### LOSS OF COVERAGE

When an event occurs that causes you or your family member to lose coverage, the FEHB Program offers a continuation of coverage feature, either temporarily or by permanent conversion to a private sector policy.

- ✓ Child reaching age 26
- ✓ Insufficient Pay
- Application for Spouse Equity
- ✓ Separation
- ✓ Divorce
- ✓ Death
- ✓ Relocation

### **NON-PAYMENT OF PREMIUM**

- After 2 pay periods of being in a "no-pay" status, or when two adjustments for insufficient earnings has occurred. You will receive a statement for the total amount due.
- The total amount due must be paid within 30 days in order to maintain your coverage.
- If you lose coverage for nonpayment of premiums, you cannot renew your enrollment until the next open season.

#### **PRE-TAX & AFTER-TAX PAYMENTS**

Save money with pre-tax premiums.

- If you wish to pay your premiums with after-tax money, PSE's must complete PS Form 8202. This form may be found on the liteblue.usps.gov website.
- This election must be done within the 60 day enrollment period. Failure to do so will result in having to wait until Open Season or a QLE.

### **1. PERSONAL CARE ACCOUNT (PCA)**

Personal Care Account (PCA) is an established benefit amount which is available for you to use to pay for covered hospital, medical, prescriptions, dental and vision care expenses.

Members in this plan are given a PCA, which is an allowed amount used to pay for all medical costs at 100% until exhausted.

#### **TWO TYPES OF ELIGIBLE EXPENSES**

Covered by your PCA:

- **1. Basic PCA Expenses:** Are the same medical, surgical, hospital, emergency, mental health and substance abuse, and prescription drug services and supplies covered under the Traditional Health Coverage
- 2. Extra PCA Expenses : This includes dental and/or vision services and are reimbursable out of your PCA. Note that these expenses must be paid up front by you.

Provides 100% coverage for annual medical expenses up to:

- \$1,200 (Self Only )
- \$2,400 (Self Plus One & Self and Family )
- There are <u>NO</u> copayments or upfront deductibles

### WHAT IS AN "ALLOWED AMOUNT"?

Allowed amount is the amount of covered services that the plan pays for.

- If an out-of-network provider charges more than the allowed amount, you may have to pay the difference, if PCA is exhausted.
- For example: If an out-of-network hospital charges \$1,500 for an overnight stay and the allowed amount is \$1,000, you may have to pay the \$500 difference. (This is called balance billing).

As long as your remain in the APWU Consumer Driven Plan, any unused remaining balance in your PCA at the end of the calendar year may be rolled over to subsequent years.

Maximum amount allowed in your PCA in any given year are:

- ✤ \$5,000 (Self Only)
- \$10,000 (Self Plus One & Self and Family )

A deductible is the amount you must pay if you have exhausted your Personal Care Account before Traditional Health Coverage begins.

There are no co-payments under the Consumer Driven Option. You pay for covered health care usually when you receive the service.

### WHEN YOUR PCA IS EXHAUSTED

Members must meet a deductible:

- ✤ \$600 (Self Only)
- \$1,200(Self Plus One & Self and Family)

You must pay all the costs up to the deductible amount prior to the plan paying covered services.

Once the deductible has been satisfied, the Health Plan will pay 85% of all in-network covered medical expenses. You will be responsible for the remaining 15%. Co-insurance is your share of the costs of a covered service which is calculated as a percentage of the allowed amount for the service, after PCA is exhausted and deductible is met.

For example: If the plan's allowed amount for an overnight stay in the hospital stay is \$1,000, your co-insurance payment of 15% would be \$150.

### **ONCE THE DEDUCTIBLE IS MET**

#### Members pay as follows:

	In-Network Providers	Out-of-Network Providers
Medical Services	Members: 15% Health Plan: 85%	Members: 40% Health Plan: 60%
Prescription Drugs	Members: 25% Health Plan: 75%	Members pay all charges

### **4. CATASTROPHIC OUT-OF-POCKET**

Catastrophic out-of-pocket maximum is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services.

This limit helps you plan for health care expenses.

### **OUT OF POCKET EXPENSES**

Maximum out-of-pocket expense in a calendar year:

In Network:

- \$5,000 Self Only
- \$10,000 Self Plus One & Self and Family

**Out of Network:** 

- \$10,200 Self Only
- \$13,700Self Plus One & Self and Family

Once these limits are reached, your annual health care costs are to be paid at 100%

### **DENTAL AND VISION**

- As a member of the Consumer Driven Option Plan, you will receive a PCA to help you pay for covered services.
- You can use this account to be reimbursed for covered dental expenses. You pay for dental services at the time of service.
- Maximum reimbursable amount in a calendar year:
  - \$400 per Self Only
  - \$800 per Self and Family

Personal Care Account (PCA) \$1,200 Self \$2,400 Self Plus One & Self and Family

When PCA is exhausted members pay a deductible \$600 Self \$1,200 Self Plus One & Self and Family
