

At the Top of Their Game

Since January, the APWU has signed up more than 6,300 new members. The commitment to organizing is growing, but we still have a long road ahead. Although excessing, downsizing and consolida-

tions have hurt membership, some locals have maintained or increased membership. Listed below are some of our best organized locals. Thank you for your continued efforts.

Most Organized Region -	Percent
Northeast Region	87.86
