Dear Mark:

This letter is follow-up to the Postal Service's enclosed October 22, 2015 letter and previous correspondences regarding the Flats Postal Automated Redirection Systems (FPARS).

The Postal Service intends to activate FPARS beginning March 28th. Enclosed, for your review, is the anticipated deployment schedule. The schedule is subject to change. The Postal Service will provide updates as they become available.

It is anticipated that the deployment of FPARS processing will result in savings of approximately 1 million work hours annually at impacted CFS sites. Impacts to the bargaining unit will be in accordance with Article 12 of the Collective Bargaining Agreement.

If there are any questions, please contact Leigh Hsu at extension 4799.

Sincerely,

Rickey R. Dean
A/Manager
