

WANTED

**FOR CRIMES AGAINST THE
PUBLIC POSTAL SERVICE**

**POSTMASTER GENERAL
PATRICK R. DONAHOE**

**WE DEMAND
A POSTMASTER GENERAL
WHO WILL CHAMPION
THE USPS
— *NOT DESTROY IT!***

Postmaster General Patrick R. Donahoe has led an all-out assault on the nation's public Postal Service. He has shuttered hundreds of mail processing plants, slashed hours at thousands of neighborhood post offices, privatized major portions of postal retail operations, sold priceless postal real estate, demanded the elimination of six-day mail delivery, and run service into the ground.

At every turn, he has allied himself with those who seek to destroy the United States Postal Service.
